Payment Information

There are 3 possible methods of payment - details are given below. The first is by direct bank transfer (BACS), and this is by far our preferred method as it makes payments easy to track and has low associated bank charges.

Bank Account Details:

Bank: HSBC
Branch: 79 Piccadilly, London. W1J 8EU
Account Name: Majestic Oak Ltd
Account Number: 01472577
Sort Code: 400526

Payment Methods:

1 – BACS direct bank transfer (preferred)

We greatly prefer payment by direct bank transfer, which can usually be arranged via internet or telephone banking. If you are able to pay in this way please transfer the money to the above account. If possible, please give the event you are booking on and the names of the people you are paying for as a reference (eg "1.3, Joe Bloggs, John Smith").

Note that transfers from other HSBC accounts will usually arrive with us the same day, while transfers from other banks take about 3 working days to arrive.

If you are paying by this method please ensure that you give the name of the originating account under "payment details" on your booking form.

2 - Pay cash directly into our account

You can pay cash directly into our account by going to any branch of HSBC. When you arrive at the branch you should fill in a paying in slip using the bank account details given above and give this, along with your payment, to a cashier.

If you are paying by this method please ensure that you give the location and sort code of the branch at which you are paying the money in, and the date you made the payment, under "payment details" on your booking form. If you do not know the sort code of the branch please ask the cashier when you make your payment.

These payments can be very difficult to track. It is therefore extremely important that you send us the above details if you are paying this way, or we will have no way of knowing who the payment has come from..

3 - Post a cheque

If you are paying by this method please ensure that you give the name on the cheque under "payment details" on your booking form.

You can send us a cheque, made payable to "Majestic Oak Ltd", to the address at the top of the page. Please make sure you enclose a note which states the event you are booking onto and the full names of the people you are paying for (eg "1.3, Joe Bloggs, John Smith"):

Please note that this is our least preferred method of payment, as cheques cost us more to process through our account than cash or direct bank transfers.

Increased Event Charges

The cost of each event goes up if we do not *receive* your payment 2 full weeks before the event. BACS transfers from HSBC accounts and cash paid directly into our account should arrive the same day. Please allow 3 working days for BACS payments from non-HSBC accounts, and 2 working days for cheques posted first class, to arrive.
